

# SPOOKLEY THE SQUARE PUMPKIN™ COSTUME

## MATERIALS:

Large square box  
Green cardstock or stiff felt  
Scissors  
Pencil/Marker/Pen  
Glue  
Stapler  
Green pipe-cleaners  
Green headband or green cardstock

## TO START

Your child can wear either a brown, green, or orange t-shirt and brown, green, or orange pants or leggings as a base costume.

## DIRECTIONS

### SQUARE PUMPKIN BODY

1. Find a square box that fits your child. Width should be width of child's shoulders and height should be from shoulders to top of thighs.
2. Remove flaps from top of the box.
3. Flip box over and cut a hole large enough to comfortably fit over your child's head.
4. Cut a hole on each side of the box so your child's arms can fit through.
5. Paint all sides of the box orange and draw in lines to indicate the lines on a pumpkin.

### FACE

Using the provided templates, print and cut out Spookley's eyes and mouth. Glue to front of box.

### ARMS

Using the provided templates, cut one left and one right arm leaf out of green cardstock or stiff green felt. Wrap around you child's wrists and secure with pipe cleaners.

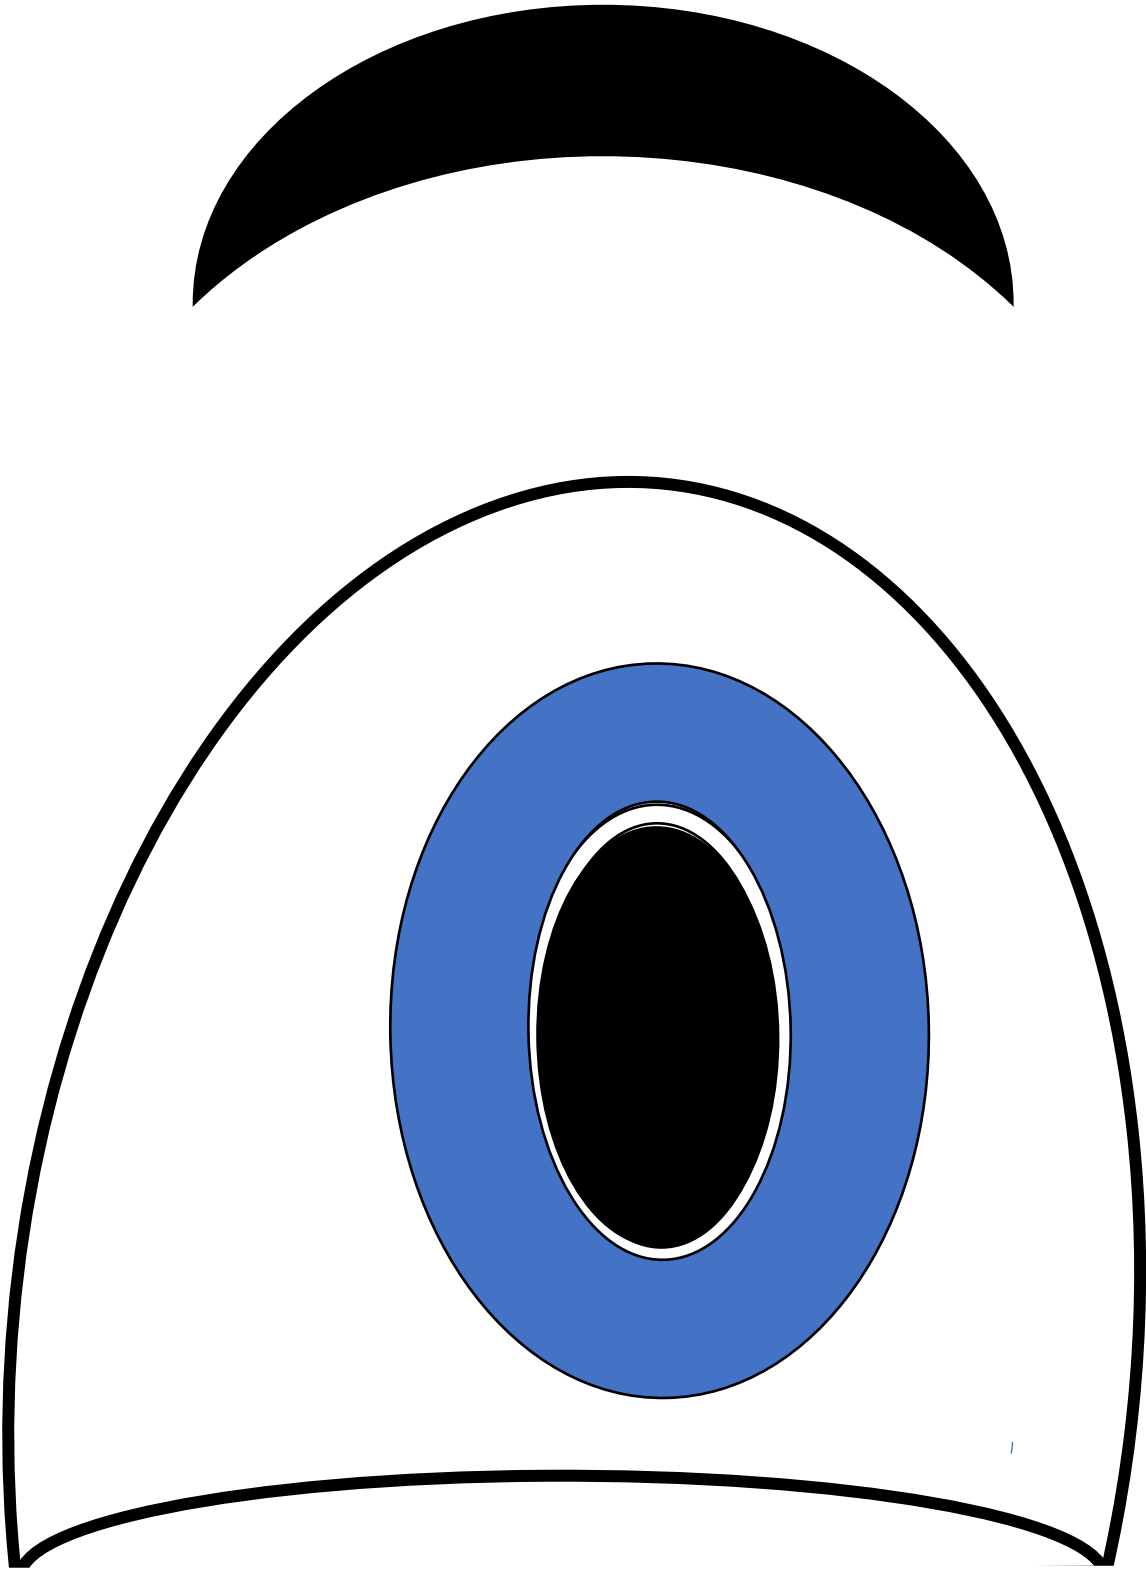

### HEAD

To complete the Spookley look, use the provided template to make a stem hat. Cut the stem out of green cardstock or stiff green felt. Use staples or glue to attach stem to either an existing green headband or make one out of green cardstock.
